

## CFI Open Forum

Discuss the magnitude of approach and landing mishaps. Acquaint pilots with the benefits of stabilized approach and landing operations. Discuss best practices for exercising the go around option. Encourage pilots to make stabilized approaches and to go around if stabilized approach criteria are not met.

Click on the link below and register TODAY!

**Directions:** The meeting will be held in the Conference Room.

Map Link: <http://www.ccbc.edu/Locations>

Flyin in aircraft parking available on ramp area.

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
